TSS SOFTWARE ANNOUNCES INTEGRATION WITH NORTH AMERICAN TITLE INSURANCE COMPANY

ANNAPOLIS, Md., December 3, 2014 – TSS Software, a leading technology solutions provider to the title and settlement services industry, announced today the integration of TitleExpress® with North American Title Insurance Company’s (NATIC) AgentLink platform. This integration allows users to request NATIC policy jackets and closing protection letters directly from a TitleExpress order.

“Agents will see increased productivity by eliminating the need to rekey data across multiple platforms,” Mickey Jones, general manager at TSS, commented.

“Many of our agents are on TitleExpress so this integration will instantly help a large segment of our network work smarter and faster,” adds Emilio Fernandez, Esq., president at NATIC.

For additional information about this integration, visit NATIC’s [website](#) or call 866.596.2842.
